Retraction Note: The fatty liver index (FLI) and incident hypertension: a longitudinal study among Chinese population

Kena Zhou^{1,2} and Jie Cen^{1,2*}

Retraction to: *Lipids Health Dis* (2018) 17: 214
<https://doi.org/10.1186/s12944-018-0858-6>

The Editor-in-Chief has retracted this article [1] because it significantly overlaps with a previously published article by Zheng and Mao [2]. The authors have not responded to any correspondence regarding this retraction.

Published online: 25 May 2020
