Correction: A cross-sectional study exploring the relationship between the dietary inflammatory index and hyperlipidemia based on the National Health and Nutrition Examination Survey (2005–2018)

Yu Han¹, Xijuan Jiang¹, Yabin Qin¹, Yile Zhao¹, Guying Zhang¹* and Chao Liu²,3,4*

Following publication of the original article [1], the authors requested to update Table 2.

The corrections are as follows:

1. In Table 2, the covariate of “Sex” should be “Gender”.
2. In Table 2, in the covariate of education, “Less” should be “Less than high school”, “High” should be “High school”.

The original article [1] has been updated.
